

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

CITY OF BUCKLEY,

Plaintiff,

v.

ANGELA TOMAN,

Defendant.

CASE NO. C10-5209 MJP

ORDER ON MOTION TO AMEND
THE CASE SCHEDULE

The Court, having received and reviewed the parties' Stipulated Motion to Amend the Case Schedule (Dkt. No. 131), enters the following ruling:

IT IS ORDERED that the motion is DENIED.

Mediation schedules do not trump trial schedules; rather, the opposite is true. The parties are certainly free to engage in ongoing negotiations and/or mediation and to settle at any time, but the Court cannot and will not make its trial schedule dependent on an anticipated timeline for mediation.

1 The clerk is ordered to provide copies of this order to all counsel.

2 Dated this _17th_ day of October, 2011.
